

A photograph of four business professionals in a modern office setting. Three people are seated around a glass table, and one man stands behind them. They are silhouetted against a large window that looks out onto a sunset or sunrise over a body of water. The scene is dimly lit, with the primary light source being the bright sun outside, creating a strong backlight effect and lens flare. The office furniture, including chairs and the table, is visible in the foreground and middle ground.

MANAGEMENT GUIDE
